

Price!

**That's the only difference
between the Microcomputers
you can buy from Computer
Discount of America, and the
ones you can buy elsewhere.**

**You can save hundreds of dollars on TRS-80 and ATARI
Microcomputers and systems, because Computer
Discount of America offers you the best prices in the
United States from an authorized Radio Shack Dealer.**

Here they are - the full line of Radio Shack TRS-80 microcomputers, ATARI microcomputers, accessories, hardware, and software - all at the **best prices in the U.S.A.** The computers and equipment are brand new, in factory-sealed cartons, and carry a full factory warranty.

And, each TRS-80 computer and system is pure Radio Shack Factory built and tested. No add-on, untested memory chips from us!
